

Welcome to Sioux River United (SRU) club soccer.

We want to thank you for your interest in SRU club soccer and invite your child to participate in the Spring & Summer 2010 season. Registration night for the 2010 season has been scheduled for Thursday, October 29, 2009; 7:00 p.m. to 9:00 p.m. at the Park n Rec building (meeting room upstairs) on Main Street.

Currently, a number of administrative processes are being developed, age specific team managers are being lined up, tournaments will be recommended and towards the spring, coaches will be hired for the teams. If you have any questions or want to know where you can help volunteer for club soccer activities, please contact one of the SRU Board members listed below.

Registration fees for the 2010 season are as follows if payment deposit is received by November 15th deadline. Rates increase up to 20% if not received by deadlines noted below: Each participant will be also be required to work 2 times in concession and assist with the Fishback Classic Soccer Tournament held in July 2010.

U09/U10	\$110.00
U11/U12	\$135.00
U13/U14	\$160.00
U15/U16	\$185.00
U17/U19	\$185.00

These fees will cover coaches compensation, coaches travel, tournament fees and rostering/registration fees. Team uniforms are provided for use during the season and returned after the season. If players are moved up to play in an older age group, fees are subject to change to the fee of that age group.

In order to place teams in tournaments, the SRU Board requires an **early payment of \$50.00** towards your overall fees, to be paid either registration night or by mail, but no later than November 15th, 2009. Payments received after the November 15th deadline will not be entitled to the reduced rate. Initial deposit fees paid after January 31st, 2010 are not guaranteed a spot on the team rosters for tournaments. Final payment is due March 15th, 2010.

Tournaments open their registrations as early as January and February of any year and SRU club soccer teams need to be in a position to financially register for those tournaments. Also, some teams will begin to practice in the winter and spring.
